

Each summer the Legal Divisions of The Coca-Cola Company and Coca-Cola Refreshments (formerly Coca-Cola Enterprises) host a summer intern program for second-year law students. Our program offers a 6 week introduction to the practice of law. The interns work on a range of projects across practice areas, such as trademarks and patents, food law, marketing law, litigation, labor and employment, contracts, and environmental law. Our interns work closely with practicing attorneys at the companies and are afforded a rare opportunity to apply legal principles to real business situations.

The program begins on May 29, 2012 and continues through July 6, 2012. Students are required to commit to this entire timeframe. Our ideal candidate has a diverse background or a demonstrated interest in diversity, as well as previous legal and/or leadership experience.

There are 5-6 positions at our headquarters in Atlanta, Georgia. Interns are paid on a weekly basis (approximately \$1200/week) and do not receive a housing or transportation stipend. Also, although our program is similar to traditional law firm summer associate programs, we do not recruit from the summer intern program. Interns will not receive an offer for permanent employment upon completion.

If you believe that you are a good candidate for our program, please submit your resume to legalintern2012@coca-cola.com by **February 10, 2012**. We will notify you by February 24, 2012, if you have been selected for an interview.
