

A Summer of Patriotic Service

The United States Air Force Judge Advocate General's Corps is now hiring 1Ls and 2Ls for its nationwide paid summer internship program.

As an Air Force JAG intern, you will get a wider range of experience than your colleagues will have in a private firm. You'll gain hands on experience in a number of fields, including civil, criminal, and international law all while learning more about the Air Force and the JAG Corps.

You must be a U.S. citizen and in your first or second year at an ABA-accredited law school to apply. Applications are available on-line through 10 February 2012 at www.usajobs.gov (search term "Air Force JAG").

Your chance to gain unparalleled experience in diverse practice areas. Don't let this opportunity pass you by!
