

2012 MOCK INTERVIEW SCHEDULE

How to Participate:

Mock interviews will be held this Fall. **Sign-up is on a first-come first-served basis in the Career Development Office.** To sign up, bring your resume to the 2nd floor Career Development Office and reserve your spot with one of several practicing attorneys that represent a range of fields and positions within the Atlanta legal community. Interviews will last 30 minutes, allowing for a practice interview and a helpful critique. Since this is an authentic simulation, you should bring a copy of your resume and list of references to the interview.

Why Participate In the Mock Interview Program?

1. Mock interviews are a great way to practice and prepare for informational/actual interviews that you may schedule during the December/January break. Your interview performance will be videotaped and individual critique and analysis will be provided to help you improve your overall interviewing skills.
2. Although employers are conducting mock interviews, past law students have turned mock interview sessions into real opportunities to land a position with a particular employer. It is a perfect chance to network!
