About The Patent Institute of Training

The Patent Institute of Training is a Patent Services and Patent Training firm that provides high-quality intellectual property preparation services and comprehensive training in patent drafting.

Our Patent Training curriculum was developed by patent agents and attorneys with proven industry success. We strive to provide our students with practical patent drafting experience by allowing them to draft live patents under the tutelage of attorneys and patent agents with more than 100 years of combined experience.

Live Info Session

The Patent Institute of Training (PIT) will be hosting its FREE **"Introduction To The Patent Institute of Training"** live info session on September 25, 2012.

The purpose of this info session is to get persons aspiring for a career in the patent industry acquainted with The Patent Institute of Training, our service offerings, and the overall goals of the company. We will also have a Question and Answer session with the President & CEO of PIT to address your questions about the company and our services.

We are looking forward to your presence!
