

## Borrower Acknowledgement After TPD Discharge (Total and Permanent Disability Discharge)

Award/Aid Year \_\_\_\_\_ - \_\_\_\_\_

Fall \_\_\_\_\_  Spring \_\_\_\_\_  Summer \_\_\_\_\_

Students, who have been granted a Total and Permanent Disability (TPD) Discharge by the US Department of Education (AND) are subsequently requesting new federal student loans, may be eligible to receive loans if they provide the following required documents:

- ✦ **Physician Certification Form** (*provided by school*), signed by the student's primary physician, indicating that the student is able to return to their studies and engage in substantial gainful activity;

(AND)

- ✦ **Borrower Acknowledgement After Discharge**, signed by the student, acknowledging their understanding that federal student loans taken out after TPD, cannot be discharged on the basis of any injury or illness present at the time the new federal student loans are made, unless the student's medical condition substantially deteriorates to the point of permanent disability.

Additionally, students who request new federal student loan(s) during the 3-year post-discharge monitoring period described earlier must resume payment on the previously discharged loan(s) or acknowledge they are once again subject to the Title IV repayment terms of federal student loan(s) before they can receive the new federal student loan(s).

For further information or for questions regarding the 3-year post-discharge monitoring period, please contact [DisabilityInformation@Nelnet.net](mailto:DisabilityInformation@Nelnet.net) or call 1-888-303-7818 to determine the impact your decision to return to school and originate new federal loan(s) will have on your approved discharge.

***By signing below, I acknowledge understanding of the policies related to borrowing Title IV loans after TPD. I also understand that I must complete this form each time I receive a new federal student loan at Atlanta's John Marshall Law School.***

***By signing this document, I hereby acknowledge and agree to the terms established by the U.S. Department of Education with regard to TPD discharge of federal loans included in the award/aid year and semesters selected on this document.***
