2023-2024 Request for Professional Judgment

This packet contains information and the application to submit a Request for Professional Judgment to the Office of Financial Aid.

In compliance with federal regulations, the Office of Financial Aid (OFA) has determined a standard Cost of Attendance for AJMLS students that include the following:

- Tuition and Mandatory Fees,
- Books and Supplies,
- Moderate living expenses including housing/rent, utilities, etc.,
- Health insurance for cost of premiums and moderate co-pays,
- Transportation,
- Miscellaneous items such as food, clothing, personal maintenance, etc., and
- Loan fees.

Students may submit a request for a professional judgment to increase their personal cost of attendance beyond the standard allowance due to extenuating circumstances which may warrant a re-evaluation of your eligibility for financial aid. **This request is for additional loan funds above and beyond the Annual Cost of Attendance. Students approved and awarded a Professional Judgment will incur more student loan debt and higher loan repayments after completing their Juris Doctor program.**

Approvals are for exceptional circumstances. Submitting a request does not automatically ensure your budget will be approved and increased. All requests are subject to approval by the Office of Financial Aid and according to the U.S. Department of Education regulations, and are reviewed on a case-by-case basis. Per the CFR HEA Sec. 479A(a) cited in the Federal Student Aid Application and Verification Guide, the decision made by the Financial Aid Administrators regarding the PJ is **FINAL and cannot be appealed to the U.S. Dept. of Education.**

Please complete all sections and return the completed form to the OFA along with all documents required in Section B. Documentation of all expenses must be submitted for them to be considered. Incomplete request(s) will not be considered and will be returned unprocessed.

- **An invoice without proof of payment/receipt is not acceptable documentation.**
- **Handwritten or pre-printed receipts indicating Cash Payments are not acceptable documentation.** (*For child care expenses, see Section D.4. of request form*).

Please Note: There is a 14 to 21 day processing period and all required documentation must be submitted at the same time. Incomplete requests will not be considered and will be denied.
