### Direct Costs vs. Indirect Costs

Total Direct Costs – Direct costs are fixed **billed expenses** paid directly to the law school and cannot be waived. These costs include Tuition, Technology Fees, Student Bar Association (SBA) Fees, Timely Health Care fees. These costs will appear as charges on student billing accounts.

Indirect Costs – Indirect costs are **unbilled expenses** estimated in a student's budget. These costs include Room and Board, Books/supplies, Transportation/Commuter cost, and Personal/Miscellaneous Expenses. These costs will **NOT** appear on student billing accounts.

If a student's total financial aid (scholarships & loans) exceeds the "direct costs" (tuition & direct fees) billed by the law school, the law school sends the remaining balance to the student via direct deposit.

- **The Cost-of-Living Refund:** This is a **credit balance refund**.
- **Usage:** Students use this refund to pay for those **indirect costs** (rent, groceries, books, expenses for commuting to and from campus, personal and miscellaneous expenses)

Expense amounts (including room & board, books/supplies, transportation, and miscellaneous expenses) are based on 9 months for the Fall and Spring semesters. The 2026-2027 Fall/Spring Cost of Attendance (COA) does not include costs of Summer 2027 semester tuition, fees and expenses. Summer has a separate COA, but the 2026-2027 FAFSA is used to determine summer award eligibility amounts.
