Atlanta's Community Food Bank

Students can assist at the Atlanta Community Food Bank in their community garden or on the grocery floor.

Community Gardens: Community gardening brings neighbors together and empowers people to supplement their food supply by growing it themselves. ACFB provides gardening expertise, volunteer help, tools, seeds and more to

area community gardens. Volunteers help with weeding, seeding, planting tilling, cleaning, clearing, and any other activity that can possibly take place in a garden. This shift is 3 hours from 9:00 a.m.-noon. Volunteers should dress comfortably with closed-toe shoes appropriate for gardening. ACFB provides water and snacks, training, and all tools.

Grocery Floor: You may have some people in your group that would prefer to volunteer indoors. We have room for 5 people to work the Grocery Floor on August 15 from 9-12. When agencies come to pick up the orders they have placed online, they can take some time to see what's on our grocery floor and pick up extra product they need. Volunteers help to assist customers, restock shelves, etc.

Book for Africa

Books for Africa collects, sorts, ships, and distributes books to students of all ages in Africa. Their goal is to end the book famine in Africa. Volunteers come to the warehouse for two or more hours. The warehouse is located on 2971 Olympic Industrial Drive, Suite B Smyrna, GA 30080.
