

GIVING REPORT

2020-2022

Atlanta's John Marshall Law School has benefited from the generous support of its alumni, faculty, staff, and friends. The Honor Roll of Donors is our way to acknowledge and express appreciation publicly to everyone who has invested in the present and future growth of Atlanta's John Marshall Law School. Each gift truly is important and allows us to provide opportunities for our students that otherwise may not have been afforded. This report acknowledges donors who made gifts to the Law School in Fiscal Year 2021 and Fiscal Year 2022.
