

IMPACT REPORT

2024-2025

As we reflect on another year of growth and success, we are grateful for the unwavering generosity of our alumni, faculty, staff, and friends. The 2024–2025 Honor Roll of Donors allows us to publicly recognize and extend our heartfelt thanks to those who invest in the future of our law school.

Every gift, regardless of size, creates lasting impact by providing transformative opportunities for our students, opportunities that would not be possible without your support. Your commitment empowers us to strengthen programs, enrich the student experience, and further our mission of educating the next generation of legal professionals.

This report honors the donors who made gifts during Fiscal Year 2024–2025. We sincerely thank you for your continued dedication, generosity, and belief in our students' success.

Atlanta's John Marshall Law School (AJMLS) remains steadfast in its commitment to delivering a top-notch legal education, aligned with its founding mission of granting non-traditional students access to legal studies.

In the year 2025, AJMLS had the privilege of awarding more than 25 scholarships.

Over 100 students diligently applied for scholarship assistance in 2025. However, the demand for financial support far exceeds our capacity to provide it.

Many of our students must balance internships alongside their studies to sustain themselves financially.

A scholarship not only alleviates the substantial financial strain on our law students but also affords them the essential time and opportunity to focus on their studies and remain committed to their legal education.

THANK YOU FOR YOUR SUPPORT
