PRIVATE FIRM PLACEMENT POLICY

Placements with private firms or attorneys are approved on a limited basis. Factors for approving a placement include, but are not limited to, length of time the attorney or firm has been in practice (5 years minimum), their reputation in the legal community and the primary areas of practice. Preference is given to private firms or attorneys that have a significant number of pro bono cases or work in specific areas. You can find our policy and form online at http://www.johnmarshall.edu/ajmls-students/externships/

Preferred practice areas include:
- Alternate Dispute Resolution
- Bankruptcy
- Criminal Law
- Entertainment
- Family Law
- Health Care
- Immigration Law
- Intellectual Property
- Sports Law
- Taxation
- Trusts And Estates
- Wills

Personal injury placements will not be considered unless the law office or attorney practices other areas of law that the student can work on or pro bono cases that the law firm or office has taken on. Only plaintiff's personal injury will be considered for possible placement.

Approval is also contingent on the firm certifying that the placement will meet the criteria for an unpaid intern as defined under the Fair Labor Standards Act. Among other things, the office must certify that the externship is for the benefit of the student's educational experience and that the student will not be paid or entitled to a job as a result of the externship.

Private Firm/For-Profit Certification forms are due at least 30 business days before the first day of class in the semester the externship is requested.

3. The student will not displace regular employees, but will work under close supervision of existing staff;
4. The employer derives no immediate advantage from the activities of the student and may occasionally even be impeded by those activities;
